## 2023-2024

### Year in Review

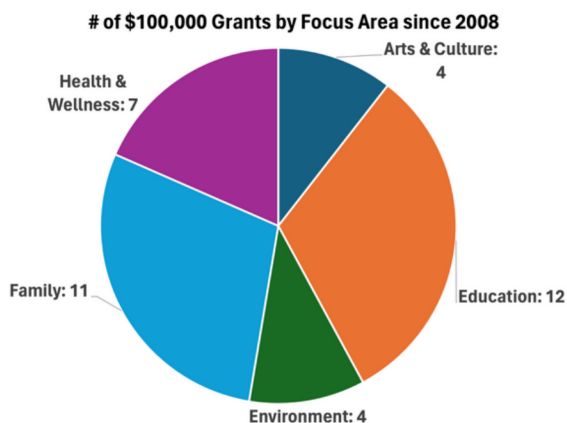

## A Brief History of Impact100 Philadelphia

Impact100 Philadelphia was co-founded by Beth Margel Dahle and Mary Broach in April 2008. The concept was to harness the power of collective giving by pooling donations of \$1,000 from at least 100 women to generate a large-scale grant of \$100,000. Impact100 Philadelphia awarded its first grant (totaling \$111,000) in June 2009. We are indebted and grateful to our founders for establishing the values and culture that Impact100 still embodies and aspires to today.
