

WHO WE ARE

Impact100 Philadelphia engages people who identify as women in collectively funding high-impact grants that address unmet needs in the Philadelphia region and raise the profile of smaller nonprofit organizations. We envision a world in which our grantmaking helps make our communities more just, safe, equitable, and healthy for everyone.

Since 2008, more than 1,370 women have joined Impact100 Philadelphia to give over \$5 million in grants to 81 organizations reaching some of the most underserved populations in the Philadelphia region. We are a demographically diverse group, ranging in age from 23 to 91 years old and representing Philadelphia, its surrounding counties, and beyond.

In 2024, we celebrated our 15th Anniversary with grants in our five focus areas to these deserving organizations.

WHY SPONSOR IMPACT100 PHILADELPHIA?

By providing an unrestricted operating donation to Impact100 you help us to sustain our work. As an all-volunteer organization, your investment bolsters our efforts to engage more women philanthropists, growing our membership and expanding our grantmaking and our footprint.

A sponsorship investment in Impact100 Philadelphia strengthens our organization. Your gift ensures that Impact100 Philadelphia can further enrich the communities we serve and supports the work of our members as civically engaged leaders, volunteers, and advocates for nonprofits. [Research shows](#) that women who give collectively are more active, informed, and strategic philanthropists than their non-collective giving peers.

In this period when the nonprofit community so desperately needs funds, the support of a sponsor has tremendous impact. We are grateful for your thoughtful consideration and would love to have your partnership as we look ahead to another year of effective and impactful grantmaking in our region.
